The Gospel Matthew 5:14-16

“You are like a light for the whole world. A city built on a hill cannot be hidden. No one lights a lamp and puts it under a bowl; instead he puts it on a lampstand, where it gives light for everyone in the house. In the same way your light must shine before people, so that they will see the good things you do and praise your Father in heaven.”

As we start our journey together in this brand new school year, let us remember Jesus, who will walk beside us every step of the way. May his love be the light that shines through us every day. Amen.
