

ICT Level 1

I know that machines follow instructions e.g. I know how to change the size of my writing or program a roamer

I can use ICT to work with words, pictures and sounds to share my ideas e.g. I can write words into a word processing programme and draw a picture

I can talk about using ICT in school e.g. I know that I can use different programs for different activities

I know I can get information from different places and it comes in different ways e.g. I know can find words in a word bank or and that I can get information from sounds as well as words and pictures

I can talk about what I have done in an ICT lesson e.g. I can tell my teacher which program I have used and that I have drawn a picture

Attainment strands: finding things out, developing ideas and making things happen, exchanging and sharing information, reviewing, modifying and evaluating work as it progresses and breadth of study
