On occasion students may decide to bring items to school that hold significant value. The school cannot accept any liability or personal belongings and valuables inclusive of musical instruments and other student owned property, if these items were to become lost, stolen, or broken. As a result, we discourage students from bringing valuables to school.

Department for Education You should not be unduly worried about the possibility of your children catching the Coronavirus. There is no reason why your children should not continue to attend their early years, school or further education setting as normal. Children **SHOULD NOT** be bringing in hand gel. Each classroom has their own bottle.

ICE AND SNOW

In icy and snow conditions, please walk on the gritted areas around school premises to avoid slipping.

Please also ensure we have your up to date mobile number in case of school closure so you receive the text message. Thank you.

PARKING AROUND SCHOOL

We have received complaints of inconsiderate and dangerous parking around school. NO ONE should be parking on the Keep Clear zig zag markings at any time. DO NOT park on double yellow lines or where there are double white lines in the centre of the road. Adhere to local parking restrictions and do not block pavements, driveways or pedestrian access.

Drivers found committing these offences place themselves at risk of being prosecuted/ issued tickets by both Council Wardens and Police.

Please keep our roads safe.
