Encouraging Good Hygiene at Home and School

- Always carry tissues with you and use them to catch any cough or sneeze. Then bin the tissue, and wash your hands, or use a sanitiser gel.
- Wash your hands regularly with soap and water.
- Avoid touching your eyes, nose and mouth with unwashed hands.
- Avoid close contact with people who are unwell

Bradford City of Sanctuary

Here at St Joseph's we strive to follow our Catholic mission of protecting with love all of god's gifts. This includes fostering a culture of welcome and inclusion for all, especially asylum seeking and refugee families. To ensure that we are doing all we can for our families and to celebrate the things we already do, we are applying for an award from the City of Sanctuary movement. Working with the City of Sanctuary offers us the chance to educate our whole school community about the human right to sanctuary and to ensure we create a safe environment that includes everybody in school, regardless of background, ethnicity, faith or gender. The involvement of parents is vital in reaching our goal of achieving Sanctuary Status and so I would like to invite you to join us on **Wednesday 18th of March at 3.00pm** for coffee afternoon and to find out more about City of Sanctuary. If you would like to attend, please let a member of staff know at the beginning or end of the day or drop the office an email on; office@stjosephsbradford.bradford.sch.uk We look forward to seeing you there!
