

St Joseph's Catholic Primary School Newsletter 20th April 2020

Easter is a time of new life and renewal. This can seem very difficult in these strange times.

However, God's promise is that he is always with us. We pray that we may feel the gladness of Easter, which is Hope,

The promise of Easter, which is Peace,

The spirit of Easter, which is Love.

May the blessings of the Risen Lord, guide you, protect you and help you to find joy.

THE GOVERNMENT HAVE ANNOUNCED THAT SCHOOLS WILL CONTINUE TO BE CLOSED FOR AT LEAST 3 MORE WEEKS. THERE HAS BEEN NO DATE SET FOR WHEN SCHOOLS CAN SAFELY OPEN AGAIN.

The teachers have prepared further home-learning packs for the children to complete and enjoy. These will be available from Thursday morning. You will receive a text message saying when you can pick up these packs.

In order to keep to social distancing requirements, please keep to the times you will be allocated. Please keep to the 2 metres distance rule if there are also other parents waiting.

We are very aware that this can be a very difficult time for parents and children. The advice for coping with long-term isolation is to make sure you have some form of daily exercise; try to keep a regular routine; treat those around you with kindness; find time to have fun; don't count the days, make the days count.

You can find out more by visiting our [Coronavirus – Health and Wellbeing Advice](#)

If you need further support or help, please email the school.

Stay Safe. Keep Others Safe. Protect the NHS.

Stay Home!!!

- Only go outside for food, health reasons, essential work or exercise.
- Stay 2 metres (6ft) away from other people
- Wash your hands as soon as you get home
- Don't visit other people's houses.
- Don't socialise outside your home.
- Don't let your children play with other children.

Anyone can spread the virus.

If you let your children play outside with others you are putting people at risk and the lockdown will be even longer than it needs to be.
