Appointments

Please can you ensure any routine medical appointments are made out of school hours so lessons are not disrupted.

Thank you.

ASTHMA

If your child suffers with asthma, it is imperative that we have an inhaler in school for your child. Please send an inhaler (preferably in the box) into school asap. Thank you.

COVID-19 UPDATE

Please see attached letter.

A reminder that families should not have close contact with any other households. This means that you should not take to school or pick up anybody else's child. If you do and that child's class needs to self isolate, then your family will also have to self-isolate for 14 days—even if your own child's class is still open.

God's Generosity

In last Sunday's Gospel we hear about how God does not expect us just to be generous to those we know and love— he expects us to be generous to **everyone**. We also hear about how God's generosity to us is abundant and unlimited!
See Wednesday Word on our website to read this Gospel.
