Diary Dates

Mon 23rd Nov
Nasal Flu Spray

Friday 4th December
Sacrament of
Confirmation
(If Covid restrictions
allow)

Mrs Markham

In July 2021, it will be 35 years since I first started teaching at St Joseph's School. St Joseph's has been a huge and important part of my life; I have had the privilege to work with many wonderful people and to be part of the lives of hundreds of marvellous children.

After such a long time, I have decided that I will be taking early retirement from Headship at the end of the Summer term.

The recruitment process will begin after Christmas for a new Headteacher to start in September 2021.

It is exciting to think about St Joseph's embarking on the next phase of its journey, and we will keep you informed over the next few months.

NASAL FLU

SPRAY—23rd

November 2020

If you are wanting your child to have their nasal flu spray in school, please make sure you return the completed form to us if you have not already done so. Thank you.

WEDNESDAY WORD

The Wednesday Word is available to view on our website under Catholic Life.

Covid Symptoms

As we come into the season of coughs and colds it will become more difficult to distinguish these symptoms from symptoms of Covid. We ask that parents do not diagnose that their child just has a cold, but that you always phone 111 or 119 for expert medical advice.

Wrap-Up!

In order to keep the children safe and healthy, we will still be using the outdoors for learning and play. Please make sure you send the children into school with warm and waterproof outdoor clothes and shoes.
