NASAL FLU

SPRAY—23rd

November 2020

If you are wanting your child to have their nasal flu spray in school, please make sure you return the completed form to us if you have not already done so. Thank you.

We hope everyone had an enjoyable autumn break and are looking forward to the coming term.

New Lockdown Restrictions

As new lockdown restrictions come into place on Thursday, we have reviewed our risk assessments.

Staff will wear masks at the gates and in general areas of the school. Some staff who are vulnerable because of medical issues will wear a visor in the classroom.

Classrooms will be kept ventilated and we will still use the outdoors as much as possible. **Please make sure that children come to school every day with warm and waterproof clothing.**

Reducing the risk of spreading Covid-19 in school is dependent on everyone at home following the rules during the lockdown. Please see the attached guidelines.

Parent Evenings

We are unable to invite parents into school, so this year the teachers will instead have a telephone conversation with parents to discuss the children's progress and next steps. You will receive a letter asking you to choose a convenient time for this phone call.

Harvest Festival

We will be holding a virtual Harvest Festival to celebrate God's gifts of food. We ask that you send in tins or packets of food that we will then donate to the Franciscan Friars at St Patricks church who continue to care for the most needy in our local community. The Friars have asked for donations of biscuits, sugar and tinned tuna. Please start sending in your donations as soon as possible and we will make our Harvest Festival Service available online so that families can join in.
