Jennifer 6BB Tajus
6MF Whole Class

Covid Guidance Over Christmas

The Government have relaxed some of the restrictions during a very short period (23rd Dec to 27 Dec) over the Christmas holidays. However, any easing of restrictions means that there will be an increase in Covid infections in January. With increased risks in January, there are increased risks of people being seriously ill and an increase in deaths.

We have been incredibly lucky at St Joseph's as we have only had to close one class to self-isolate. We may have to close a lot more bubbles in January which will affect the children's learning and the ability of parents going to work. So we ask you, please, to keep to the social distancing rules. Remember that just because you can meet up to three families, you don't have to! Keep safe and keep St Joseph's School safe.

Christmas Jumper Day

Christmas Jumper/Colours Day
Friday 18th December 2020

Pay 50p or more to come dressed in a Christmas jumper or in Christmas colours. The money raised will go to our Advent charity CAFOD helping to support those in need across the world. **Please use ParentPay to pay your donations.**

Thank you to all our families for your wonderful support and positive attitude during this very different term. Your children are a credit to you—they have shown such joy, consideration and resilience. We wish you all a very merry Christmas!

Christmas Blessings

May the God of hope fill you with peace and happiness as we celebrate the birth of Jesus this Christmas. May your families radiate the joy of the Gospel. May we feel God's loving presence and generous love as we gaze upon the face of the son of God. Amen
