

St Joseph's Catholic Primary School Newsletter 16th July 2021

Final Week of Term

Although the Government are easing many restrictions from Monday, we ask that all families continue with the restrictions that are currently in place.

Over the last three weeks we have closed more Bubbles than we have ever had to throughout the pandemic.

If your child tests positive at any time next week, your family will have to self-isolate for 10 days, which could disrupt any travel or holiday plans you may have,.

So, for just 5 more days, please continue to do everything to keep everyone safe.

Thank you.

Covid -19

If your child should test positive for Covid -19 **at the weekend**, please contact us on **07394 917 124 or 07395 935 373** and leave a message stating your child's full name, class, when symptoms began and the date your child received their positive test. Thank you in helping keep our school safe.
